FIRKA DEVELOPMENT DEPARTMENT (V)

Sub:- Endowments - Charitable - Madras Presidency - Institutions - Supported by Government - Particulars - Report.

. . . . . .

In February 1948 after scrutinizing the annual report of the Chritable Endowments in this Province for 1946-47 the Assistant Secretary Ordered that detailed particulars regarding the Charitable institutions supported by Government in this Province should be obtained from the Board of Revenue. Accordingly the Board was addressed in the matter.

Detailed particulars in respect of the institution supported by Government in all the districts in this Province have since been furnished by the Board. It will be observed from the statement at (K) that 309 Charitable Institutions were supported by Government during 1946-'47 at a cost of Rs. 20.39 lakhs. Whereas in the annual report for 1946-'47 the Board has reported that 329 institutions were supported by Government at a cost of Rs. 18-54 lakhs. The variation in the number of institutions and the cost of their maintenance is due to the inaccurate reports furnished by the Collectors of Chingleput, Salem, Chittoor, Krishna, South Arcot, West Godavari and Nellore at the time of submitting the annual returns to the Board for 1946-'47. The figures now furnished are correct and the institutions include Medical, Choultries and Water sheds.

There are no institutions supported by Government in the Districts of Anantapur, Tiruchirappalli, South Kanara, East Godavari, Krishna, and Nellore.

No further action seems called for in this file. The papers may, for future reference, be
